Spend a weekend with the Red Arrows – entry form inside

Now YOU can fly with the legendary Red Arrows – in the most challenging flight simulation ever!

It's the most exciting, full colour flight simulator ever written for the home computer – and it uses every ounce of the micro's power to give the utmost realism to recreating the most spectacular aeronautical displays that have thrilled crowds at air shows for the last 21 years. The program comes with a 24 page detailed flight handbook that will soon help you take YOUR place alongside the ace pilots of the Red Arrows!
